Being a Part of GODS FAMILY

January 2021

Dear KMBC,

I cannot help but to thank our Lord for His goodness toward us in these days. Many troubles have come upon this nation and the nations of the world, but God is and has been faithful. Do you feel that way? Only in the will of God do we find joy, extreme joy, which is unspeakable and full of glory.

We are very much aware of the troubles of our country and countries around us and far beyond us. If we saw all that God sees, we would fall down in anguish and tears. Starvation, political unrest, violence, pride, the love of money, false religion, unloved people, all have made its steps known to us, even to our own front door.

Do we believe the Lord Jesus is necessary? Most would say that He is for salvation. But can we say that we have a God who is sufficient? We don't know the answers to many problems today, but we know who is the Answer — the Great I Am. We can't predict the future, even for tomorrow, but we can place our full trust in Him.

Here are some recommendations for 2021:

1. Make sure you are saved from sin and that you have the new nature within you.
2. Walk with God daily in the fullness of the Holy Spirit.
3. Give unto the Lord's work. Make friends with your money. Don't become stingy or covetous.
4. Love your family. Love your neighbors as you would desire to be loved.
5. Read your Bible through the **H.E.A.R.** method.
6. Memorize Scripture.
7. Get your affairs in order for we do not know when we will leave this world.
8. Seek to win souls to Christ.
9. Watch every day for His coming by:
    - **a.** Giving
    - **b.** Attending
    - **c.** Loving
    - **d.** Praying
    - **e.** Getting into a Discipleship Group.
    - **f.** Serving in your church fellowship

Is the Lord Jesus the Only Desire of your heart? If He is then all else will be well and whole! 2021 is again the year of our God for His people.

I love you dearly,

Pastor Don

From: Nora Brooks

Tuesday evening, Amber, Jordan, Sherry, Brockie, Ron, Christina, Jacob and myself, delivered the Angel Tree gifts. These children are part of our young people's programs here at church. Their families were very appreciative of all the gifts you gave. Some of these families didn't have anything or very little under their tree. These families live in very humble homes and make you realize how blessed we are. There were a couple of encounters with the families that were really good. The one that touched me most was the last family we delivered to. There were 4-5 people living in a single motel room. They were so grateful. The mom, April, was open to us talking to her about the Lord and inviting her to church. She's been hurt in church before and is reluctant to trust. Please be in prayer for God to touch her heart.

Again, we could not have done this without your help, so **THANK YOU ALL** so much!

Love you ALL,
Nora
