Creationism Reveals God's Ways

"Fear God, and give glory to him; for the hour of his judgment is come; and worship him that made heaven, and earth, and the sea, and the fountains of waters" (Revelation 14:7b).

The Bible reminds us that it is God who made Heaven and Earth. Yet the world refuses to believe just that. How do we know that? If the world did not reject the God of creation why would it try to change God's idea and ideal of marriage between a man and a woman? Why would the world celebrate the birthday of an evolutionists by the name of Darwin? Why does the world believe in euthanasia? Why does the world allow children to choose their identity as a male or female?

The Creator Jesus created all things and He expects us to believe Him. So, if we try to do away with the rightful aspect of marriage, to engender and allow evolution, and to renounce anything that gives us a choice and frees us to choose our sexuality, then we are disallowing the Bible to enter into our thoughts and Jesus from being our Creator and in whom from which all things flow.

The foundation of our society, our families, our churches, and our lives lies in the fact that we are to *"worship him that made heaven, and earth, and the sea, and the fountains of waters"* (Revelation 14:7). As matters of reality if we fail to recognize the Lord Jesus as our Creator and Redeemer then we are allowing ourselves to fall into hell that was created not for us but for the devil and his angels.

August are days to reflect of the coming winter of judgment for those who are blinded by the god of this world. We must pray, work, and be abreast of what is coming so that we may warn and lead others to the Throne of Grace and Mercy before it is too late. Every day is becoming harder and harder for many to believe and give God the glory.
