## America the Beautiful: Turn Back

Kinnett Family,

America and the world is in an unprecedented crisis. We need a miracle! The nation that was born on July 4, 1776, needs to be born again or we will perish. America has a glorious heritage. Our fathers came to America in the early years searching for God instead of gold. God blessed this nation in its founding and raised up men who raised His Son up.

We must confess with brokenness that America has turned her back on God. We have forgotten His blessings and now we are rolling in luxury compared to other nations of the world. While we rollick in pleasure, stagger in drunkenness, and all hooked up on drugs, we are rotting in our sins, and spiraling downward in our morals.

America must not trust in our armament, though we must have it. We must not trust in our past, though we need to remember it. We must not lean on our allies, though we are grateful for them, or even lean upon any kind of reed that will be broken unless it is God. We need a miracle for America. We need God's presence in our homes, schools, businesses, and church buildings. We need the Lord fully in us controlling us and leading us onward.

Who do we need? We need the Man at God's right hand. Who is He? His name is Jesus. We must pray that God will lay His hand upon the Man of His choosing. That implies that we must repent of our sin of unbelief. Our activity of carelessness, prayer-less-ness, and pleasure seeking is driving us from God's center. He is looking for a people "*who will not back from thee*" who pray to the Lord God to "*quicken us, and (who) we will call upon thy name*" (Psalm 80:18).

We must look up, confess up, and speak up, and stand up. All of this comes from within...by the Spirit of God who takes the Word of God and lifts us up to the throne of God that we may go out courageously. Think upon those words and read them again. We sing "*God Bless America*" while we need to pray, "*God forgive me so that your face may shine upon us. God forgive me for not praying in faith. God forgive me for failing to lead my family to God's house. God forgive me for leaning upon my own understanding. God through Christ forgive me for not living by the power of the cross and your resurrection power in a sin-cursed and burdened world*".

Be encouraged. There is freedom is real in Christ.

I love you dearly and pray for you,

Pastor Don
