75th Anniversary and Homecoming

God calls a church to be made up of individuals who come together to do the work of an evangelist. We are called to discipleship who make disciples who make disciples. Everyone who is not a part of this ecclesia (called out ones) are either ignorant of this truth or they are not a part of the body of Christ.

The Church of the living God is forever rooted in eternity. It will never be diminished or decayed. The church is the bride of Christ and will be seen for eternity by the eyes of those who are with Christ in glory. All spots, blemish, and wrinkles will be gone and all of those who are the member of the body of Christ will live forever.

We will celebrate some factors of this on May the 19th at 10:30 a.m. We are interested in being propelled into the future because of the never changing purpose of the Lord for His church. We will speak, sing, and summon all to celebrate this marvelous event as we gather together. After the special time of renewal we will celebrate by sitting down to a meal prepared by all.

May the Lord bless you and keep you in the center of it all. May we recognize the power and presence of being right and doing good which is initiated by our Savior. Come prepared to worship, to feed upon truth, and to adjust to God's kingdom come.

Love you in the marvelous love of Christ,

Pastor Don
