MONTHLY NEWSLETTER | NOVEMBER 2019

FROM THE PASTOR'S PEN

KMBC Family,

We can tell if we are growing in the Lord by a certain view that we take. That take is if we have an eye for those who are helpless and harassed. Jesus saw the multitudes and He had great compassion upon the crowds who lived without a Shepherd. They are led by their emotions and the spirit of the world.

Think with me about the lost soul who could have been saved from the corruption and pollution of this world and the world of hell to come. God placed you and me in our neighborhoods for a purpose and that plan is to tell them that we have a God who forgives, and that because of His death of redemption for each of us.

God's glory is revealed as we pray for others and wait on Him to lead us into the harvest field. They are ready and God is speaking to their souls. We think they are not listening. We cannot read them but God does and He is working. He is always interested and He speaks to those who are willing.

Let's join in on this great enterprise of rescuing the perishing! Let's pray for personal revival and for God's presence to be seen and manifested through our obedience to Him.

Don't allow the fall colors to fool you into the fact that winter is not coming. The last hues of the colors of Fall are nothing but a leaf which is dying. For many their last hurrah is coming. Let's intervene in prayer, in love, in reaching!

Don't forget that the great event we have to be a part of is inviting others to our Community Thanksgiving service at Burlington Assembly on November 25th at 7 o'clock. This is a grand opportunity! Don't waste it!

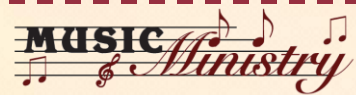

Love you in the Lord!

Pastor Don
