## The Transformation of the Bible

KMBC,

*Only* the **transforming** power of the Bible has any right to enter **fully** into your life. We are **not** to be filled with the customs and behavior of this world. We are to **allow** God to **transform** us.

If we want to be a **new** person, knowing and obeying the will of God and becoming **like** our **Lord**, we **must** spend time **daily** yielding ourselves to the **truths** of the Scriptures. The Holy Spirit **doesn't** work in a vacuum **but** He uses **Scripture** and **prayer** to **minister** in our lives.

It takes **more** than reading an assigned passage of Scripture to become **more like Him**. We **have** to **meditate** on what we read (**Psalm 1:2**). We **have to study** Scriptures in the context of other Scriptures, then **obeying** what **God** tells us to do (**Joshua 1:8**).

The **H.E.A.R.** Method of reading and journaling the **Bible** is for you to **know Him** and to **grow** into **His likeness**. Paul used the Word of God and you **must** read the Word of God, or life is **futile** and **vain**. His **word** gives **hope, power, encouragement, witnessing ability, a song, and effective prayer**. We are **not** interested in just facts but facts that **lead** to faith in God.

It is **only** through reading, meditating, and journaling your organized thoughts in prayer does God **really** begin to show us **who** we are and **Who** He is. We **must** go forward by **meditating** on **His Word** and depending on **His Spirit**. Get the practice of the **H** (highlight), **E** (explanation), **A** (Application), and **R** (Response and Reset).

Let the **message** of **Jesus fill** your life,

Pastor Don
