MONTHLY NEWSLETTER | SEPTEMBER 2020

## OCTOBER 2020

Dear KMBC,

Election 2020 is here. We see a great line of division between the two nominees and parties. There are two entirely different visions for America. On Nov. 3, American voters will choose between two opposing views for our country. Religious Liberty, the sanctity of life, the family, the courts, international freedom and much more are on the line.

Every vote is a decision about the future of our society. Each and every election defines us as a people, and this will show up big time. **“When the righteous increase, the people rejoice, but when the wicked rule, the people groan”** (Proverbs 29:2). Whoever wins this year will greatly impact Americans’ religious freedom.

Billy Graham said, *“I think it’s the duty of every individual Christian at election time to study the issues, study the candidates, then go to the polls and vote.”* We must pray and think Biblically as we exercise our right and responsibility to vote in our local, state, and national elections. People say, **“God is sovereign and controls the heart of the king”** (Proverbs 21:1), and that is true. Yet the Gospel applies to all areas of our life. We are not, according to Scripture, to pull out of all political processes nor are we to be overly invested in it. Government is God’s idea (Romans 13:1-7). We are to pray, to vote, and to work to change one heart at a time for the souls of others.

Joseph and Daniel both served in foreign administrations and used their influence to implement policies that benefited society. God used Joseph in Egypt to feed the world during a devastating famine. Queen Esther used her influence in the Persian government to save the Jews from extermination. Jeremiah, the prophet of God, instructed the exiles in Babylon to seek the welfare of their new city during their captivity. Daniel prayed and worked for the Babylonian and Persian Government. We are to be no different. We are blessed to be able to vote our conscience.

We are citizens of the **“City of Man”** as well as the **“City of God.”** We are to be God’s **best** citizens as possible of both cities and leverage our influence as salt and light as we travel as sojourners on this earth. Study the issues, look at the pattern, and know that we are here for such a time as this! Pray and vote and win others to Christ.

I love you,

Pastor Don
