MONTHLY NEWSLETTER | NOVEMBER 2021

November 2021

Dear Kinnett and Friends,

November is upon us, and time still continues to move forward. We can't stop it, slow it, or even do anything about its movement. But we can live in Christ and redeem the time God has for each of us.

Satan is so much more in earnest than we are. He buys up the opportunity while we are wandering how much it will cost us to obey. Our enemy is much more aware than we are of the spiritual possibilities that depend upon our obedience in Christ.

Our disappointments can be and are God's appointments. If we want Him, we can have them — His appointments. I believe in spiritual revival. I know it in my life and I've seen it in others. God can rescue us from us if we come to the end of ourselves.

The early church was a declaration of war against Satan's kingdom and it should be even so today. But, overall, the church has grown fat and increased with goods, and we can travel here to there at no thought of money or vehicle. It seems as if God is no longer spoken to in prayer about our decisions. We choose what the flesh wants instead of how the Spirit lives.

In folklore, a will-of-the-wisp is a demonic light that was meant to mislead travelers by this flickering lamp or lantern which appears in the atmosphere. It is a goal that leads one on but is impossible to reach. We are in a generation that is being led outside of the presence of God. It is nothing but the absence of God and the abdication (failure to fulfill a responsibility) of God's manifest presence. We are no longer post-Christian but a nation who is void of God. Praise God maybe now we can finally start depending upon Him for every move.

When the true church gets back to Him in full dependence then we will begin to see God save and transform and conform others to His Son. Thanksgiving is here. How thankful are we for the indwelling life of Christ? If we truly are then we will say "*Thank you*" for only He can! If we are thankful then we will see Him work through us.

I love you,

Pastor Don
