## The Year Without Fear

Kinnett,

There is no way to tell the future without the telling of the Word of God. God's Word is our compass and our GPS. In the midst of the chaos there is stability, and it is found in God's Word.

I pray that we will be more involved with God as we travel through His Word together this year. When we ask the questions of His Word, "*What did this mean back then? What does it mean today? What does it mean to me?*" then we are ready to take the Scriptures and flesh them out in our daily lives and live.

There is power when we surrender to the Word of God. When God sees that we mean business with Him then He will lead us and reveal to each of us His Lordship and Friendship. There is no greater joy than to know God as more than a conception or theory. He unravels as we participate in His.

What is the purpose of our lives? It is "*Christ in us the hope of Glory.*" Second-hand religion is a waste of faith and time. Most people do not want godlessness or godliness — they do not know how to live or how to die! True comfort comes from abiding in Him.

True surrender to the Lord Jesus Christ gives Him "*right of way,*" and releases God's Life through you in all the freshness and power of divine action, so that according to His gracious promise, out of your innermost being "*springs and rivers of living water may flow continuously*" (John 7:38, Amplified New Testament).

Allow the Son of God and disallow the son of Adam to live through you.

You are greatly Loved!

Pastor Don
