JULY 2024

KMBC,

July is upon us, and time is inching toward our death. The Bible speaks of our days as a vapor, a shadow, or a tale to be told. The brevity of life is upon each of us. We must face it realistically.

We are making up a pamphlet that will enable you to fill it out for your pastor and family. It has in it some rich thoughts for you to write about so that you can express your thoughts that will bring great meaning to your passing. You will be able to speak even while you are in Heaven. You can then place this in a safe place where your other records are kept to help your family or friends.

One thing I have noticed is that people are distracted today from living in the light of Jesus' coming. Many are living out of the garbage tank of this world instead of the real manna from Heaven. It's a terrible thing to waste our time.

There is much displacement in the church-at-large. There are church splits, dissensions, and self-centeredness that is very easy to see. People are choosing their own advantages for self-other than the leadership of the Holy Spirit.

What do we do? We keep our hearts tender before God, and we ask God for a hard shell that keeps the attacks of Satan away. We also are to read and heed the Word of God. Satan is doing all he can to get the world ready for the antichrist and the true church to dismantle. Church attendance is not endeared today, and the Bible speaks of the day where people will be lovers of pleasure more than lovers of God.

One glorious day we will stand before our Savior who has redeemed us from our sin and self-destruction. What a day that will be! The Lord Jesus took our punishment, our licks, our heat. He shielded us from a place called Hell and He has given to us Himself.

What a glorious Savior! Let's live in the promise of our soon returning Lord! May the month of July find us walking in the wind of the Spirit upon our backs leading us forward to unfurl the flag of the gospel of Jesus Christ in the presence of the lost!

Stay faithful by keeping yourselves in the Love of God,

Pastor Don
