August 2024

KMBC,

Others!

These are some of the most exciting days a man or a woman can live in. We have the greatest life on this planet to live. It is the life of God within each of His own children.

I am about to conduct a funeral service for a family that I've never met. They are flying in from New Jersey and Florida. Yet I am confident in what the Lord has given for me to say. It is because of the mind of Christ that is in me. Why? Because Christ lives and dwells within.

Earlier this morning several pastors met to pray. It was a good day to be in prayer. The rain was falling outside, and the tears were falling on the inside. The pastors were burdened for their nation, their family, and their church family.

May it be said of each of us that we lived out our lives numbering our days so that we may call and trust this God who considers each of you important. Most can't pick us out in a crowd, but the Lord Jesus can. He believes in individuals over the crowd.

I love you. May we pray this August and believe God more than any time in our life's journey.

Your pastor,

Pastor Don

P.S. Folks, I wanted to let you know that God used the coin "*Where Will You Spend Eternity*" during the funeral service. They were lined up and wanted the coins for themselves. The family was going through a horrible circumstance, but the Lord broke through by the message and the memorial gift given to them.
