From The Manger to the Mission

Beloved KMBC,

A new year is upon us already. We have been a part of the greatest event of all history and that is that God came down to man to bring us up to Him. His incarnation, His crucifixion, His resurrection, His ascension are all an inside ministry to His own today. It is not that He lives on the outside of us but that He is working on the inside of each of us through the ministry of the Holy Spirit.

Please look at our Vision and Mission Statement. Please review it, study it, and pray for it.

May this year be a year where we understand and implement the Vision and Mission of our Savior.

I love you dearly,

Pastor Don
