MONTHLY NEWSLETTER | MARCH 2026

Dear KMBC & Friends,

One of the signs of the decline of the church in America is that it is alarming and true, but most don't see it. The Bible speaks of a day when people will begin to miss the church services more readily and frequently and will not really be concerned about the future.

The Church numbers of Christians are inflated in America; the Church is more hated, more divisive, is bankrupt spiritually, bleeding, and it is sputtering. What are we to do? John Dickerson said in his book, *"While we focus on a few large churches and dynamic national leaders, the church's overall numbers ARE shrinking."*

Jesus said, *"I will build my church, and the gates of Hades will not overcome it"* (Matthew 16:18). Christianity as we know it is receding. We have a window of opportunity, during which we can re-center Christ's church on His mission.

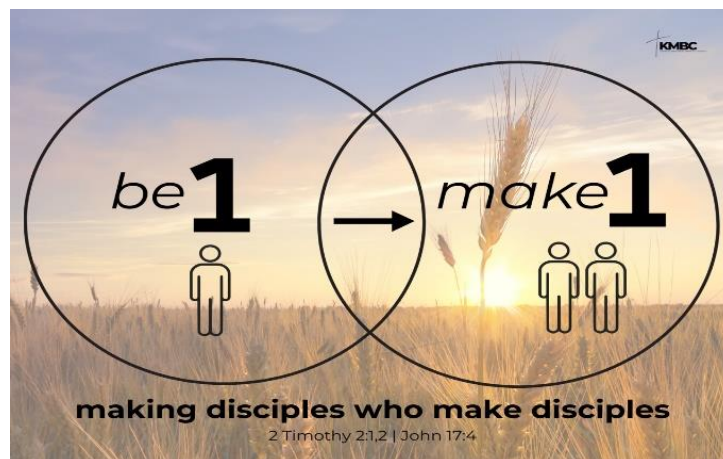

Wise leaders must be aware of what is changing, why it's changing, and how to prepare. That is the reason we are asking God to develop disciples who make disciples. That is the reason we are instilling the great joy of reading His Word and journaling so that we can explain it to those in front of us.

We are asking our Lord for many of those in KMBC to Be1Make1. Are you willing to re-center your life around God's way of Making Disciples?

I am asking each of you to pray for ONE that you will lead to Christ and then to walk that person down the aisle and see them baptized and discipled. Do you believe in God's ability to save? Do you believe God has called you? I believe He has called each of us.

Be1Make1,

Pastor Don
