God's Gift of Grace

Kim and I dated four years before we were married on September 12, 1987. It was 1981 that I was saved. We will be married for 39 years. I am grateful for God's grace shown to the both of us as individuals and as husband and wife.

So many times, people have said to me that Kim is not the normal pastor's wife. I say, "*She isn't.*" Why? Well, I prayed for a woman who would be a co-worker with me in ministry. With no doubt she was God's choice so therefore she is herself.

In reality, this post is not about our marriage or our anniversary. It is about God's grace. Both of us came out of a home where we could've traveled far from God.

Jesus is the Light who enlightens everyone who comes into the world (John 1:9). Thank God there is the Light who will make us aware of our far country journey.

God only saves prodigals. All of us have traveled to the far country either in our heart or by our feet. One can be in church and still be in the far country or into drugs, sex, etc., in the dance hall. But once you are saved you say, "*Make me as one of Thy hired hands.*" Instead of saying, "*Give me,*" one says, "*Make me.*"

There are many today who have suffered and say they have had a bad time of it. I do believe that there are many who have really been hurt and abused by sin and sinners.

Yet there is a roadblock that God gives to sinners and that is the Light of the World is present. He awakens souls to their blackness of sin and to the danger of continuing onward with repentance.

No man has an excuse. God does enlighten every boy, girl, man, and woman who comes into the world. Absolutely no one will be able to give an excuse. As a matter of fact, one day mouths will be shut and closed as they hear God's words, "*Depart from me for you continued in your unbelief.*"

Have you "*come to yourself?*" The prodigal son did. And if you have, are you one of His slaves who continually says, "*Make me as one of Thy hired hands?*"

Praise God for His Gift of Grace!

Pastor Don
